

velbiong

VELBIONG PTE. LTD.

BCA REGISTERED AND A MEMBER OF ASPRI

# COMPANY INFORMATION

**Company Name** : VELBIONG PTE. LTD.

**Address** : 1 Sunview Road #02-45  
Eco-Tech @Sunview  
Singapore - 627615.

**Company Registration No** : 201418960N

**Date Established** : 30/06/2014

**Managing Director** : Irudhayaraj Michael Raj

**Hand Phone No** : 96482593

**Bankers** : DBS BANK

**Staff Establishment** :

Managing Director	1
HR Manager	1
Sales Manager	1
Technical Advisor	1
Engineer	5
Supervisor	5
Electrical Tech	4
Instrument Tech	4
Tube Fitters	2
Accounts	1
Admin	1
Site workers	45

<b>Total</b>	<b>71</b>

## Our Company capabilities

### Procurement

Ability to purchase the following E&I Equipment & Consumables.

- Gas analyser panel with Transmitter
- E&I Cables, Wires and Glands
- Ex-proof & IP Standard Junction boxes
- Ex-proof & normal lights
- Electrical Distribution Boards
- Lightning protection materials
- HT & LT Cable accessories
- Cable tray & Conduit pipes
- SS, Copper & PVC tubing and fittings
- Air manifolds
- Mechanical Pump Seals
- Ex & Normal CCTV's
- Solar Panels ,Invertors & accessories, AC DC production system.

## **Construction**

Ability to carry out the following Installation works at Oil & Gas, Petrochemical complex, and commercial buildings.

- LEW services (Inspection, testing and commissioning)
- PE services and BCA submissions
- Testing and commissioning works for low, medium and High Voltage switchgear
- Ex inspection for both electrical and instruments installations
- Installation of Switchboards and Transformers.
- Installation of feeder, transformer, generator, and motor protection relays, retrofitting and upgrading of ageing/obsolete protection relays.
- Installation of generator and motor control panels
- Installation of Battery chargers and UPS
- Installation of Fire alarm systems
- Installation of power and control cables including High Voltage cables
- Installation of EHT cables and accessories
- Installation of CCTV and data cables
- Installation of instrumentation cables, Cable Tray, Ladder support system, impulse & pneumatic tubings
- Instrument installation, verification, calibration, loop Checks, testing & pre-commissioning works.
- Installation of cable supports (Ladder, Tray and Trunking and conduits)
- Cable termination works including High Voltage cable terminations
- Control panel wiring and modification works
- Fire stop installation for cable entry
- Installation of earthing and lightning protection systems. (Plant and Building)
- PE services for design and BCA submissions
- Installation of Solar Panel & Invertors, Power grid Submission, Testing & commissioning.

## **Maintenance**

**Ability to perform maintenance on Industrial Electrical Equipment & Instrument Calibration works.**

- **Switchboard servicing including testing of switchgear, relays, and transformers**
- **Maintenance servicing for Motors, generators and MOVs.**
- **Maintenance servicing for motor starters including conventional and numerical relays.**
- **Maintenance service for Batteries, AC and DC UPS**
- **Control Valve Servicing, PH, Conductivity and O2 Analyzer Calibration**
- **PT, TT, PDT Calibrations**
- **Lightning Protection, Testing & PE Certification**

### **Mechanical Services**

- **Pump maintenance & Services**
- **Chiller maintenance**
- **Air blowers maintenance**
- **Compressor maintenance**
- **Tank form N2 Blanketing system**

### **Shut down Maintenance of Equipments**

- **Control Valve removal & reinstall**
- **Pumps removal & reinstall**
- **Flow meter removal & reinstall**
- **Pneumatic Activators replacement**
- **PT, TT, LT & Level displacer replacement**

# PROJECT REFERENCES

- 1) Project Name : Air Manifold Welding  
Client/Owner : Chemicoat Pte Ltd.
- 2) Project Name : Project 14PB614-21 Lion DLR Phase Level 7 Install SS tubing for PDT  
Client/Owner : Schneider Electric
- 3) Project Name : Project DLR Kindle Install SS tubing for PDT  
Client/Owner : Schneider Electric
- 4) Project Name : CCTV Power point provision  
Client/Owner : GE Healthcare

- 6) Project Name : SMUF Additional Fire water pump installation job  
Client/Owner : JML / Sembcorp Industries
- 7) Project Name : Install Temperature gauge at sea water line  
Client/Owner : JML / Sembcorp Industries
- 8) Project Name : Install Pressure Transmitter , Level Transmitter  
Client/Owner : JML / Sembcorp Industries
- 9) Project Name : Install PVC Box with power socket and switch box  
Client/Owner : GE Healthcare
- 10) Project Name : Install Stainless steel tubing for Differential transmitter  
Client/Owner : Osaka/ Schneider/ DLR S180
- 11) Project Name : Semb gas THT installation job

**Client/Owner : JML / Sembcorp Industries**

- 12) Project Name : Soxal to SLNG culvert lighting job**  
**Client/Owner : JML / Sembcorp Industries**
- 13) Project Name : Install Stainless steel tubing for Compressor drain line**  
**Client/Owner : Sembcorp Industries Ltd**
- 14) Project Name : Install Stainless steel tubing for Lucite chiller**  
**Client/Owner : Sembcorp Industries Ltd**
- 15) Project Name : Install Stainless steel cable tray replacement**  
**Client/Owner : Sembcorp Industries Ltd**
- 16) Project Name : Woodchip boiler 1 cable glanding & termination**  
**Client/Owner : Sembcorp Industries Ltd**
- 17) Project Name : Replace plant lighting with new LED fitting**  
**Client/Owner : Sembcorp Industries Ltd**
- 18) Project Name : Maintenance Support Contract**  
**Client/Owner : Sembcorp Industries Ltd**
- 19) Project Name : Demolition job at Keppel tower**  
**Client/Owner : ILC**
- 20) Project Name : Construct existing wall at JSP project**  
**Client/Owner : Rotary / Exxon Mobil.**
- 21) Project Name : Make new cable pull pit at JSP project**  
**Client/Owner : Rotary / Exxon Mobil.**
- 22) Project Name : Make A frame for piping work**  
**Client/Owner : Emerson.**
- 23) Project Name : Install dew point meter at Lucite chiller**  
**Client/Owner : Donaldson air filtration Asia pacific Pte Ltd**
- 24) Project Name : EFW install cable tray for fibre optic cable**

- Client/Owner** : JML pte ltd
- 25) **Project Name** : Replace plant lighting with new LED fitting  
**Client/Owner** : Sembcorp Industries ltd
- 26) **Project Name** : IFF electrical job  
**Client/Owner** : JML Pte Ltd
- 27) **Project Name** : Replace new LED lighting at SUT  
**Client/Owner** : Sembcorp Industries Ltd
- 28) **Project Name** : Woodchip boiler new compressor installation  
**Client/Owner** : Sembcorp Industries ltd
- 29) **Project Name** : 300Sqmm MV cable glanding and termination  
**Client/Owner** : Tank store
- 30) **Project Name** : Boiler 4 liquid DPFT tubing mod jobs  
**Client/Owner** : Sembcorp Industries ltd
- 31) **Project Name** : Boiler 4 On/Off valve Servicing  
**Client/Owner** : Sembcorp Industries ltd
- 32) **Project Name** : Rotary manpower supply Afton 2  
**Client/Owner** : Rotary/Afton-2
- 33) **Project Name** : 2" & 3" Control Valve Servicing  
**Client/Owner** : Chemical Industries (Far East) Limited
- 34) **Project Name** : Maintenance Contract (ongoing)  
**Client/Owner** : Chemical Industries (Far East) Limited
- 35) **Project Name** : 1", 2" & 3" Control Valve Servicing  
**Client/Owner** : Shire
- 36) **Project Name** : ME06 BOP Project  
**Client/Owner** : JML/ Sembcorp Industries

- 37) Project Name : Install 22kv transformer and Shredder motor installation  
Client/Owner : JML/ Sembcorp Environmental
- 38) Project Name : Service corridor Pipe line extension  
Client/Owner : PEC/ Tank Store
- 39) Project Name : SMUF Decoupling project  
Client/Owner : JML
- 40) Project Name : WOODCHIP Boiler Screw Conveyor modification works  
Client/Owner : Sembcorp
- 41) Project Name : TRANSFORMERS ( TR8A & TR9 ) Removal & replacement  
Client/Owner : SEMB CORP
- 42) Project Name : EFW ,APH Project for Boiler 1 & 2  
Client/Owner : JML
- 43) Project Name : AIR LIQUIDE, J8 Shutdown job  
Client/Owner : PEC LTD
- 44) Project Name : NEWATER-Maintenance work  
Client/Owner : EM Technologies Pte Ltd
- 45) Project Name : HDB Solar panel Installation, Jurong  
Client/Owner : JML
- 46) Project Name : CHANGI AIR CARGO  
Client/Owner : JML
- 47) Project Name : SPgroup - 44 Substation  
Client / Owner : LINKFORCE PTE LTD
- 48) Project Name : JEL Transformer Replacement work  
Client /Owner : JEL MAINTENANCE PTE LTD

- 49) Project Name : Asahi Kasei Plastics -Shutdown job  
Client /Owner : Hitachi Plant Construction Ltd
- 50) Project Name : HP TO MP LETDOWN STATIONS Cable Laying &  
Termination Works  
Client /Owner : JEL MAINTENANCE PTE LTD
- 51) Project Name : Analyzer Skid  
Client /Owner : JEL MAINTENANCE PTE LTD
- 52) Project Name : River Valley 66kv Substation  
Client/Owner : LINKFORCE PTE LTD
- 53) Project Name : JML - SOLAR Changi Cargo  
Client/Owner : JEL MAINTENANCE PTE LTD
- 54) Project Name : SG Tiger Project  
Client/Owner : RADIANT INSTRUMENT & ELECTRICAL ENGINEERING PTE.LTD
- 55) Project Name : RNC - Linde SLUP Pipeline Phase 2 Project.  
Client/Owner : RNC ENGINEERING PTE.LTD
- 56) Project Name : Shell Chemicals Seraya  
Client/Owner : RADIANT INSTRUMENT & ELECTRICAL ENGINEERING PTE.LTD
- 57) Project Name : GSK QR-WWTP Project.  
Client/Owner : JEL MAINTENANCE PTE LTD
- 58) Project Name : Linde Gas Shutdown Activities  
Client/Owner : HIAP SENG ENGINEERING LTD.
- 59) Project Name : Maintenance support- Baker Hughes Plant  
Client/Owner : JEL MAINTENANCE PTE LTD.
- 60) Project Name : CCP3 Banyan Plant.  
Client/Owner : HITACHI PLANT CONSTRUCTION LTD.

- 61) Project Name : Maintenance support  
Client/Owner : Denka Advantech Pte Ltd
- 62) Project Name : Utica Solar Project  
Client/Owner : Private Terrace
- 63) Project Name : ALAM EPC Support for AIR LIQUID Project  
Client/Owner : PEC Ltd
- 64) Project Name : Inverter replacement works @ Sembawang & Punggol TC  
Client/Owner : JEL Maintenance Pte Ltd
- 65) Project Name : Installation of Hydraulic Tubing for Filter Dryer-PFIZER F08-1Project  
Client/Owner : UTOC Engineering Pte Ltd
- 66) Project Name : Servicing @UMC Plant  
Monthly inspection of Pumps at 7000 AMK Ave5  
Client/Owner : Alstern Technologies Singapore Pte Ltd
- 67) Project Name : Instrument Supervisor support  
Client/Owner : Gradient International Holdings Pte Ltd
- 68) Project Name : Instrument Installation works at Edward Life Sciences-Changi  
Client/Owner :ING Energy
- 69) Project Name : Solar Panel Installation works @SANMINA Penjuru Lane  
Client/Owner : JEL Maintenance Pte Ltd
- 69) Project Name : Ho Lee 10 Tuas South Street 11  
Client/Owner : Construction Professional Resources Pte Ltd
- 70) Project Name : Electrical Cable tray & Equipment replacement works at KSTP  
Client/Owner : JEL Maintenance Pte Ltd
- 71)Project Name : Shutdown activities SUT-VHP Boiler project  
Client/Owner : JEL Maintenance Pte Ltd

72)Project Name : Shutdown activities Sakra Cogen  
Client/Owner : JEL Maintenance Pte Ltd

73) Project Name : Electrical Installation works @ Mandai Resort  
Client/Owner : Puretech Engineering Pte Ltd

74)Project Name : SN6 Project @ Tampines  
Client/Owner :Mase E&C Pte Ltd/HDB
